IN EAST TEXAS

This holiday season, give something that gives back.

“Neither of my parents had the opportunity of attending school full-time. Being awarded the **East Texas Estate Planning Council Scholarship** from ETCF helped me be the first in my family to graduate high school and attend college.”

-Kalin Martinez 2020 graduate of Buffalo High School, Buffalo, TX.
University of Texas, McCombs School of Business

Give the gift of education.

Scholarships provide a meaningful source of financial support to students while providing an opportunity to honor loved ones, create a family legacy or simply give back to your community. At ETCF, you can establish a scholarship that is uniquely your own.
